

Things That Make You Think...

Apples

A basket contains five apples. Do you know how to divide them among five kids so that each one has an apple and one apple stays in the basket?

Apples — Solution

Four kids get an apple (one apple for each one of them) and the fifth kid gets an apple with the basket still containing the apple.

Twins

Two girls were born to the same mother, on the same day, at the same time, in the same month and year and yet they're not twins.

How can this be?

Twins — Solution

The two babies are two of a set of triplets.

Letter from the Executive Director

Hello, everyone! September is already here. It seems like this year is flying by. Well, you know what they say, time flies when you are having fun. I just cannot wait until the cooler weather gets here. It definitely feels like summer.

I am sure you noticed one of team members missing. We are happy (and sad) to announce that Tina Ries, Senior Executive Director, recently received a promotion to Regional Operations Director. She will oversee five communities. The good news is that we are one of them. So, she will still have to visit. She will be missed. I feel we have a very close family and she was one of the main reasons for that. We were blessed to have her here. With that being said, we have some more exciting news. I, Susan Martin, was promoted to the Executive Director of our Community. Hopefully, I will do an exceptional job just like Tina. I have big shoes to fill. I promise I will do everything I can to make this Community the best Assisted Living in Polk County. I know that it is not going to be challenging, because we have wonderful employees that really care about you. If you ever need anything, my door is always open.

There are some exciting holidays in September, Labor Day being one of them. Labor Day is the first Monday in September. It is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country.

National Grandparents Day is on September 12th. The impetus for a National Grandparents Day originated with Marian McQuade, a housewife in Fayette County, West Virginia. Her primary motivation was to champion the cause of lonely elderly in nursing homes. She also hoped to persuade grandchildren to tap the wisdom and heritage their grandparents could provide. President Jimmy Carter, in 1978, proclaimed that National Grandparents Day would be celebrated every year on the first Sunday after Labor Day.

I would like to say thank you to all of our Team members for a wonderful job they do here at our Community. I would like to recognize Clairetha McGriff and John Witschi. They are the Employees of the Month for June and July. They have been with the Community for a while, and are a great asset to our family. We are very fortunate to have them. Thank you for a job well done!

Sincerely,
Susan Martin, Executive Director
